LANDING AT A BOWLING CENTER NEAR

PROVED

SEP.2012

No.E-010

We are on to the next stage with our very own Dyna Star III. Known for a fair amount of perfect games and 800 series, the Dyna Star balls are truly out of this world! Our newly developed NV-1 core pushes performance to the next level when paired with the oil sucking the MS 3.0 coverstock. This combination makes for steady mid lane performance and a striking finish!
