With over a year in development the new All Mighty Reactive Coverstock was clearly worth the wait! The difference can be seen in the soft pin action which fully utilizes the impact absorbing features of this revolutionary outer-shell and coverstock.

Paired together with Magnetite infused Ceramic Core and we have a recipe for ...what else? You guessed it....THE ALL MIGHTY!

For bowlers across the spectrum the ABSolution All Mighty is the perfect ball for medium oil conditions and will pack some speed on the mid lane.
